Dear Sir/Madam

PROPOSED EXPANSION OF THE EXISTING GOUE AKKER CEMETRY ON FARM NO 185, BEAUFORT WEST

With reference to the application received by the Breede-Gouritz Catchment Management Agency on 21 August 2020 and after having had the opportunity to assess the application, herewith the following:

1. Please note that the proposed activities constitute of a section 21 c & i water uses. A general authorization for the maintenance of culverts and associated infrastructure has been confirmed by this office. It is the responsibility of the applicant to adhere to the conditions as stipulated in the General Authorisation, no 509, dated 26 August 2016.
2. This office does not have any objections to the proposed expansion of the existing Goue Akker cemetery on farm 185, Beaufort provided all the proposed mitigation measures are implemented and adhered to during the construction and operation phase of the project.

Notwithstanding the above, the responsibility rests with the applicant to identify any sources of pollution from his undertaking and to take appropriate measures to prevent any pollution of the environment. Failure to comply with the requirements of the National Water Act 1998 (Act 36 of 1998) could lead to legal action being instituted against the applicant.
