

**Legend**

- 5 m contours
- Coast Line
- Proposed electrical infrastructure
- Proposed inlet infrastructure
- Proposed outlet infrastructure
- Proposed Reservoir boundaries
- Proposed Reservoir Tanks
- Coast Line 100 m
- Aquatic Biodiversity Features

**Faunal Assessment: Landscape features (Sensitivity)**

- Existing Infrastructure (Very Low)
- Cleared/roads
- Shrublands

**Terrestrial Biodiversity Assessment**

- Low Sensitivity
- Medium Sensitivity

**Road network**

- Arterial Road
- Footpath
- Other Road
- Secondary Road
- Street
