Dear Madeleine

I spoke to Mr Fischer with regards to this inquiry.

He indicated that the Department has dealt with a number of such power line EIA's already for which the province is the issuing authority.

You can register EIA with Gail (053 807 7300) unless their email reply indicates otherwise

Best regards

Dear Madeleine

I am unable to respond to your email as I am situated within the Research unit.

Please note Ms Dineo Moleko from Impact Management was not included in the email and the incorrect email address for Mr Fischer was used.

Dear Madisa and Dineo

Please see below the inquiry from the Ms Madeleine Knoetze EAP on a Powerline application in Pixley district on whether the department will be competent authority for this application?

Best regards
