BOTANICAL COMMENT

Amended external sewer layout – School & hospital development site on Farm Vaalevalley 219, Mossel Bay

An amendment plan for the external sewer layout for the above project was received by the undersigned on 15 September 2026. The EAP (Madeleine Knoetze of SES) wishes to confirm if the amendment will (or will not) affect the botanical impact assessment report dated 11 December 2025.

The undersigned wishes to confirm that the amendment does not affect to findings of the Impact Assessment Report. There is also no need to amend the abovementioned report.

Yours sincerely,

Mark Berry PhD, Pr Sci Nat (registered ecologist, reg. no. 400073/98)
